Yariel B.

Mears Connect MOD

During recent very busy weeks for Mears Connect, Yariel showed above-and-beyond teamwork. He worked extra hours, switched his schedule to accommodate co-workers' needs, helped drivers with luggage, supported dispatchers with moving lines, and assisted with meet-and-greets. During any delays, Yariel consistently communicates **Respectfully**, both with passenger and co-workers alike, and he provides a seamless guest experience whenever possible. Yariel is committed to an **Efficient** airport operation with strong passenger counts and proper vehicle usage. Additionally, his **Enthusiasm** and positive attitude helps create a fun environment for all.

Gary P.

Motor Coach Operator

Consistently described as a professional and dependable team player, Gary recently received this additional compliment from our Universal partners: *"Gary drove a 60-ft flex bus on the CityWalk route, and there were a large number of guests from the moment Volcano Bay closed until Epic closing time. Gary was absolutely essential. He's very responsive on the Clever system and on the radio."* Gary's colleagues at Mears agree that his attentiveness helps our routes run **Efficiently**, and he's an integral part of our Universal transportation operations. Proactive and willing to assist wherever needed, Gary also maintains an excellent **Safety** record and has an outstanding Samsara score of 99.
